20th February 2023

MARKET NOTICE – CONFIRMATION OF PRODUCTS EXEMPT FROM PRICE INCREASE

As communicated in December, over this past year we have continued to see considerable cost pressures impacting our market industries, manufacturers, and suppliers. Whilst we have been fortunate to leverage our available scale to help mitigate these increases and are also seeing signs of improvement in some areas of freight, a general Price Increase of 4.9% will be applied across our products effective from 1st April 2023.

Through the pricing adjustment review process, product ranges were identified that will be excluded, for example, our new product ranges. We also have identified some products for which there will be a market price reduction.

Pricing will NOT be increased on the following ranges:

Caroma Liano Junior Toilet Suites	Caroma Liano II Basins
Caroma School Smart Toilet Suites	Caroma Liano II Bath Fillers
Caroma LiveWell Care 800 Toilet Suites	Caroma Urbane II & Liano II Sensor Tapware & Soap Dispenser
Caroma LiveWell Opal Support Rails	Caroma Urbane II and Liano II Hob Tapware
Caroma LiveWell Care Stainless Steel Support Rails	Caroma Caroma Family Toilet Seat
Caroma LiveWell Care Rails & Accessories Colours	Clark Brushed Nickel
Caroma LiveWell Bidet Seat	Methven Wairere showers
Caroma Urbane II Bidet Suites	Stylus Basis Toilet Suites

There will be a price REDUCTION on the following ranges:

Liano Toilet Suites - With an aim to provide consumers with access to greater design choice and less complex pricing across our ranges, Liano Toilet Suite pricing will have closer alignment with Urbane II Toilet Suite pricing: 7-29% reduction.

Urbane Compact (box rim) Toilet Suite - To accelerate the transition of our Urbane Toilet Suite collection to Cleanflush we have adjusted pricing on the existing model: 24% reduction.

Caroma Toilet Seats -

Liano: 2-13% reduction*	Caravelle Care: 13-15% reduction
Opal: 26-40% reduction	Junior: 6% reduction

* Exception 300053W LIANO CARE T/SEAT S/FLAP NC QR which will increase by 1.83%
