PURE WATER THERAPY

Bring the living water experience into your bathroom with cascading mixers by Dorf. An extension of the Epic range, Cascade is designed and engineered in Australia to deliver the perfect balance of style, form and function.

- Precision engineered to allow exact control of flow and temperature
- Water saving with WELS 6 Star rating, 4.5L/min (Excludes bath outlet)
- Flexible, soft PEX hoses eliminate odours and 'rubbery' taste
- Guaranteed square alignment of outlet to backplate and risk-free installation with Dorf SureFit technology
- Styled to complement the full range of Epic products

Be invigorated by the purity of the Cascade collection.
